MIDDLESEX CLUB TENNIS RULES AND ETIQUETTE

1. Courts and the backboard are open daily from 8:00 am until 8:00pm, weather permitting. No play is permitted when the courts are closed by the Tennis Director or the Club Manager.
2. No player (members, children or guests) will be permitted on the Middlesex tennis courts or backboard area unless PROPER TENNIS ATTIRE is worn. Proper tennis attire is white, tennis- specific clothing with no more than 10% color trim. Predominantly white tennis skirts or tennis shorts/leggings, and socks (e.g. no aerobic or gym clothing, swim suits, cut-offs, dungaree shorts or “jams”) may be worn. White tennis shirts (no T shirts or tank tops) are required on court at all times for men 18 and over. Collared shirts are required for all men’s and juniors’ team matches. Colored warm-ups/vests designed to be removed during play are permitted. Sweaters must be white and comply with the dress code (10% color).
3. Proper tennis shoes are a must. Color on sneakers is permitted on the Middlesex Courts however **many area clubs at which our members and juniors socialize and compete now require “white” tennis shoes.** All sneaker soles must be tennis specific- flat and suitable for Har-Tru play. Other types of athletic (e.g. running/basketball) sneaker soles rip up our tapes and clay surfaces. Any adult or child arriving for play without the proper footwear or attire may be asked to return with the appropriate gear. Members are responsible for notifying their guests of the Middlesex dress code. Note: Our program cannot be held responsible for varying club enforcement of these dress codes. Players and parents are responsible for outfitting themselves and their children suitably for visiting play to avoid defaults. Spectators must wear shirts or coverups over swim attire, and shoes.
4. Four courts (#2,3,4 & 5) are available for reservations on a one-hour basis for singles and an hour and a half for doubles. Reservations may be made by phone, by sign-up in the Tennis Pavilion or through the online reservation system, but may not be made earlier than one week in advance. Members may only have two outstanding reservations at any time. Reservations will be forfeited if players do not arrive by five minutes after the reserved time. Weather/court conditions can dictate a change in court reservations.
5. Two courts (#1 & 8) are available on an unreserved basis. A member wishing to use an unreserved court should sign up in the Tennis Pavilion. When a court becomes available, the staff will inform the member. The court may be used for one hour from the time play begins for singles and an hour and a half for doubles. Doubles matches are suggested when others are waiting for a court. A member must be physically present when an unreserved court becomes available.
6. Courts # 6 and 7 are for the use of the Tennis Director.
7. Adults (18 years & older) have preference on all unreserved courts on weekdays after 5:00pm and all day Saturday, Sunday and holidays. Adults may have a junior as a partner.
8. Exhibitions, tournaments, interclub matches and special Club events have priority use of the courts. Ladder matches in progress on unreserved courts will be allowed to finish, even if play exceeds one hour. Ladder matches on reserved courts must yield at the end of the hour.
9. Guests must be registered before play in the Guest Register in the Tennis Pavilion, online, or in the Guest Register in the main office at the Clubhouse. Please be reminded of applicable guest fee charges listed in the MSX handbook.
10. Court etiquette is to be observed at all times. Constant chatter and displays of temper are disruptive. The rights of all members to enjoy the game require basic court courtesy. Copies of the USTA Tennis “Code” are available for reference in the Tennis Pavilion.
11. All electronic devices must be in silent/vibrate mode at all times while on the courts or at the Tennis Pavilion. Texting is permitted on the Tennis patio and inside the Tennis Pavilion.
12. A minimum of three players is required for all adult and junior clinics, including e.g. cardio tennis, theme of the week, kick start tennis, ladies and men’s evening clinics, and junior summer clinics. In the event that fewer than three players are available for a scheduled clinic, the Director may elect to provide a half hour or longer individual or group lesson at the stated lesson rates.
13. Placement of Middlesex Juniors in all MSX tennis programs and team competition will be by the age of the child as of August 31, 2019.
